## CAREER OBJECTIVE

Final-year Computer Science and Engineering student seeking an internship in software development, web technologies, or AI/data-driven environments. Eager to apply programming, problem-solving, and analytical skills while gaining hands-on industry experience and contributing to innovative IT solutions.

## EDUCATION

**B.Sc. in Computer Science & Engineering** 2022 – Present  
Green University of Bangladesh Status: Final Year

## TECHNICAL SKILLS

<b>Languages</b>	C, C++, Java, Python, JavaScript
<b>Web Tech</b>	HTML5, CSS3, React, Laravel, Node.js, Express.js, REST API
<b>AI / ML</b>	Scikit-learn, Pandas, NumPy, FastAPI, NLP, TF-IDF
<b>Databases</b>	MySQL, MongoDB
<b>Tools</b>	Git, GitHub, VS Code, Postman, Vercel, NetBeans

## PROJECTS

**Internship Hub – Job & Internship Platform** React · Laravel · MySQL · JWT · Vercel

- Developed a role-based web platform for students, employers, and administrators
- Implemented JWT authentication, job posting, and application tracking features
- Built bilingual interface (Bengali/English) with department-wise job filtering
- Deployed frontend on Vercel with backend API integration

**Heart Disease Prediction System** Python · FastAPI · React · Scikit-learn

- Built a machine learning model to predict heart disease risk with high accuracy
- Developed REST API backend with FastAPI and interactive React frontend

HH

- Performed data preprocessing, feature engineering, and model evaluation

### Fake News Detection System

Python · Scikit-learn · NLP · TF-IDF

- Designed an ML-based system to classify fake and real news articles
- Implemented text preprocessing, TF-IDF feature extraction, and model evaluation
- Achieved reliable classification accuracy using multiple ML algorithms

### CORE KNOWLEDGE

Object-Oriented Programming (OOP) · Data Structures & Algorithms · Database Management Systems (DBMS) · Software Engineering Fundamentals · System Analysis & Design

### SOFT SKILLS

- ◆ Problem-solving
- ◆ Team Collaboration
- ◆ Communication
- ◆ Quick Learner
- ◆ Adaptability
- ◆ Attention to Detail

**Languages:** Bengali (Native) · English (Professional)

**Availability:** Immediate Joining
